## Summary

Web developer looking to learn as much as I can about software and how it is implemented. Strong experience in solving complex issues on a large scale. Strong skills in UI and UX, but prefer Development. With the right team I can accomplish almost anything in web development given enough time and budget. I can bring experience to the table with both front-end and back-end development, and I tend to be a jack of all trades.

## Skills

**Advanced** - HTML, CSS, PHP, Vanilla Javascript, WordPress, OPP style coding, AWS, WHM/cPanel, Git, Linux Terminal, build tools (grunt, gulp, webpack, Jenkins).

**Intermediate** - C++, Java, Phonegap, Cordova, Unity, Photoshop, Illustrator, MVC frameworks, codeigniter, React, Angular, Meteor, Laravel.

**Beginner** - Vue.js, D3, C3, WebGL, backbone.js, hundlebars.js, mustace.js.

## Experience

**Northrop Grumman, Atlanta** - *Web Developer*

DEC 2016 - PRESENT

Supported the CDC in the Digital Media Branch in the Office of the Associate Director for Communication. Provided heavily customized WordPress instance for the CDC to manage content with.

**Octane Marketing Solutions, Marietta** - *Development Director*

SEPT 2014 - DEC 2016

Managed cPanel/WHM server with 63+ WordPress instances, learned System Administration, PHP development, HTML templates, CSS media queries, database admin, email configuration, etc.

**Jamersan, Opelika** - *Intern/Web Developer*

MAY 2013 - OCT 2013

This is where I learned CSS, responsive web design, how to write wordpress plug-ins, create custom wordpress templates, and custom post types.

**Auburn University, Auburn** - *Research Assistant*

AUG 2012 - AUG 2013

Maintained PHP website for Information Security Center, and worked on a project involving Unity game development.

## Education

### **Southern Union State Community College, Opelika** - *Associate in Science*

2008 - 2012

Took classes for math, science and core classes. Received associate's degree before transferring to Auburn.

### **Alan c Pope High School, Atlanta** - *College Prep*

2004 - 2008

College Prep field of study. Took classes in electives such as Database Management and White housing, Access and Excel, and Telecommunications.

## Specializations

- Responsive Web Design
- PSD (Photoshop files/ Design files) to HTML conversion and PSD to Wordpress conversion.
- Database management / PHPMyAdmin
- bash script, linux command line
- Server maintenance and administration
- I know how to make use of PHP in Custom Page Templates, Custom Post Types, and Custom Fields in Wordpress to display any kind of content.
- E-commerce and E-learning websites including WooCommerce, Magento, Moodle, etc.
- Wordpress Plugin and Theme Development
- System Administration and Dev-Ops
- Documentation and Training for developers
